2016 USTC New York Summit

Sunday, October 2, 2016

Hyatt Regency Jersey City on the Hudson
2 Exchange Place, Jersey City, NJ 07302

USTCAAGNY

Building upon the tremendous success of the 2014 USTC New York Summit, the University of Science and Technology of China Alumni Association in Greater New York ("USTCAAGNY" or the "Alumni Association") is pleased to announce that the second summit, the 2016 USTC New York Summit, will be held on October 2, 2016, in the beautiful Hyatt Regency Jersey City on the Hudson, located in Jersey City, New Jersey, with spectacular view of Manhattan, the financial and business center of the world.

The 2014 Summit, held in New York City at Columbia University's Business School in October 2014, featured top economists, researchers and executives who brought a wealth of experience and knowledge that attracted a full house of 300 participants. Upon popular requests from alumni and friends of USTC, the 2016 Summit will expand to accommodate up to 500 attendees and, in addition to the general assembly, plan to have eight panel sessions as well as luncheon and networking events.

2016 USTC New York Summit Program (tentative as of May 23, 2016)

- General Assembly

- Panel Sessions
 1. Biosciences and Pharmaceuticals
 2. Career Development
 3. Economics
 4. Entrepreneurship
 5. Finance: Quantitative Analysis
 6. Finance: Risk Management
 7. Information Technology and Big Data
 8. New Materials and Sustainability
- Evening Events

USTCAAGNY is working diligently on the preparation of the 2016 Summit and will finalize the Summit program in late summer and will announce a list of all-star speakers and panelists. It is the Alumni Association's goal to develop the Summit into a formal, New York-based platform upon which all alumni and friends of USTC can network, share, learn and grow. As legend at USTC has it that *Beijing is quite far but New York is rather close*, the Alumni Association, as the host in the greater New York region, understands the importance as well as its obligation to service and help all USTCers in professional and personal matters.
